Hi Troy, the gazette will be dated Saturday and in practice will usually be published on Monday morning.

The only exception is if there are any urgent gazettes required over the weekend, in which case the leave gazette will be published on the weekend to retain the proper ordering of notices. I've confirmed with the gazette team there are no notices planned over the weekend at this stage, and the gazette is planned for release on Monday.

I hope this is helpful!
