

Making a positive difference for Queenslanders now and in the future.

We are a responsive, effective and accountable government that serves the Premier and Cabinet and the people of Queensland.

Our principles guide everything we do:

Leadership

We lead a strategic and effective government, responsive to opportunities and challenges in partnership with our stakeholders.

Inclusion

We value and embrace inclusion and diversity because it allows us to truly understand and deliver benefits to Queenslanders.

Collaboration

We work with our public sector colleagues and broader community to develop policies and programs that support Queenslanders to reach their full potential.

Empowerment

Our employees are valued, recognised for their contributions, and are empowered with knowledge and skills to deliver services for the benefit of the people of Queensland.

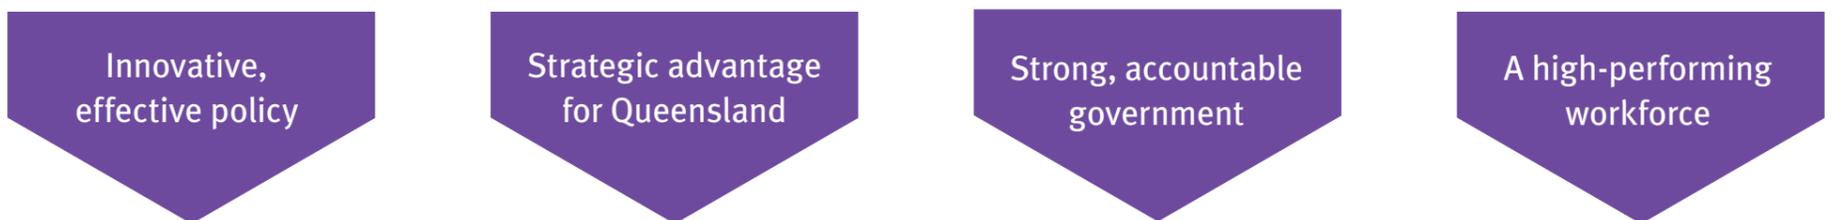

Innovation

We are future-focused and seek new ideas, systems and processes to create value for Queensland.

Trust

We inspire trust in the system of government by demonstrating integrity, transparency and accountability.

We will deliver

and collaborate across government in a coordination role as well as contribute directly to policy initiatives to ensure the attainment of *Our Future State: Advancing Queensland's Priorities*.

Through innovative, effective policy and by seeking the best strategic advantage for Queensland we will **create jobs in a strong economy** in Queensland.

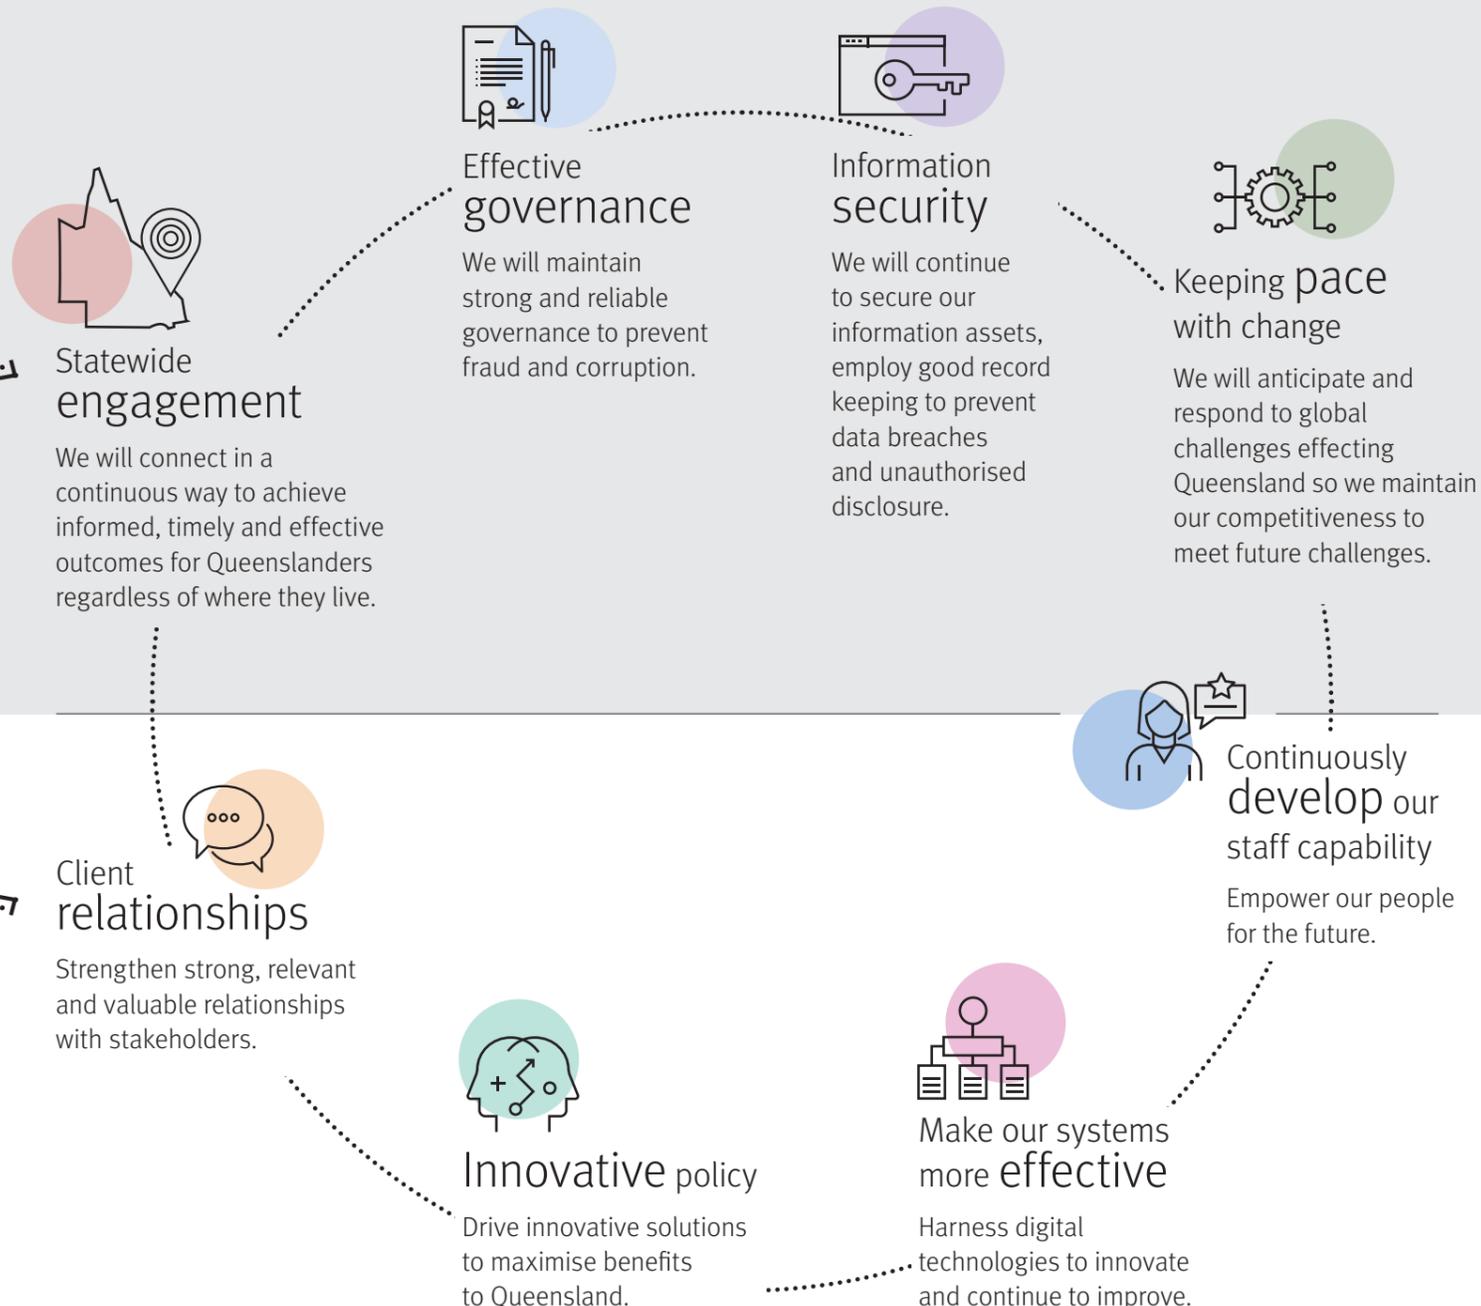

We will **be a responsive government**, by delivering strong, accountable government and a high-performing workforce.
