I apologise to the Parliament for my unparliamentary language that was recorded in the House during a division yesterday.

This is not the type of language a parliamentarian should be using.

I apologise unreservedly.

Hi all,

Has the Premier's office, or the Premier, spoken to Peter Russo about his apparent calling of a female MP a "fuckwit" in parliament yesterday?

Has Mr Russo contacted the Premier, or Premier's office, to explain?

Does Ms Palaszczuk have any concerns about this behaviour?

I will file something online soon.

Thanks,

Sarah

Subject: Chamber audio

Hello,

Jarrod Bleijie has accused Peter Russo of being the mystery MP caught swearing about a woman yesterday in parliament.

I have listened to the audio and it does sound like Mr Russo. He has refused to comment.

Is it indeed Mr Russo who said "she's a fuckwit" over chamber audio?
Is his choice of language considered unparliamentary?
Will the Premier ask him to apologise to the House?

Sonia
