PARL MEETING | CTPI - s.47(3)(f) - Australian Marine Conservation Society -- A12

Dear Mr Mellish,

I am writing on behalf of the Australian Marine Conservation Society to request a meeting with you in Brisbane during the Parliamentary sitting week of **22 - 24 August 2023** to discuss the Great Barrier Reef, its health, and the upcoming World Heritage Meeting.

We are anticipating the release of UNESCO's State of Conservation Report, which will contain a draft decision on the Reef "In Danger" listing. We're also concerned about the declaration of an El Niño weather event, which means hotter and drier conditions and an increased chance of marine heatwaves and coral bleaching next summer.

We are reviewing the Queensland government's progress on implementing some of the 22 recommendations in UNESCO and IUCN's report on the Reactive Monitoring Mission to the Great Barrier Reef.

We would welcome the opportunity to provide a briefing on the 10 recommendations we are focused on that address the biggest threats to the Reef and discuss the upcoming World Heritage Meeting.

Thank you for your attention to this important matter.

I look forward to your positive response and the opportunity to meet at your earliest convenience.
