

Impact Analysis Statement

Summary IAS

Details

Lead department	Department of the Premier and Cabinet
Name of the proposal	<i>Statutory Instruments (Exemptions from Expiry) Amendment Regulation 2026</i>
Submission type	Summary IAS
Title of related legislative or regulatory instrument	<i>Statutory Instruments (Exemptions from Expiry) Amendment Regulation 2026</i>
Date	August 2026

Proposal type	Details
Minor and machinery in nature	The proposal to exempt expiring subordinate legislation is machinery in nature. Under sections 56 and 56A of the <i>Statutory Instruments Act 1992</i>, statutory instruments may be exempted from automatic expiry if the empowering act is subject to review or replacement subordinate legislation is being drafted. Exempting relevant statutory instruments from expiry is an annual routine task of government. The proposal does not change regulatory policy or impose new impacts on business, government or the community. No further regulatory impact analysis is required under the Better Regulation Policy.
